# 1200 Series

## Hot-Water Pressure Washers

Delivering high pressure and flow, these models provide tremendous cleaning power where electricity is not available.

4.5 to 5.6 GPM @ 3000 to 4000 PSI

■ Hotsy® triplex, belt-drive, positive-displacement pump carries seven-year crankcase and lifetime manifold warranties.

■ Your choice of **Vanguard** or **Honda V-Twin gasoline** or **Deutz-Ruggerini diesel engines** provide hours of tough cleaning power.

■ **Upright, oil-fired burner** with stainless-steel coil skin is highly efficient and maintains constant temperature using diesel fuel, kerosene or home-heating oil.

■ **Simple, easy-to-use control panel** includes adjustable temperature control and heavy-duty heater switch.

■ **Roll-cage chassis** (optional) is designed to protect the machine's vital components. Comes with heavy-duty **lifting eye** for use with a crane or chain hoist.

■ **Adjustable upstream detergent injection** ensures high-pressure sudsing for better cleaning.

▶ **Hose reel** (optional) makes hose mobility and storage easy and convenient.

■ **Built-in wand holder** provides convenient storage.

**Model 1270SS: 4.5 GPM @ 4000 PSI**  
*(Shown with optional roll-cage and skid)*

■ **Rust-proof, non-contaminating polyethylene fuel tanks** include fuel gauge in cap.

■ **Heavy-duty trigger gun and wand** with insulated cool grips.

■ **Float tank** maintains constant pressure and flow while preventing sediment from entering the machine's components.

▶ **Model 1260SSG and Model 1290SSG** (shown) come equipped with a 2000 watt generator to power the 120-volt AC burner as well as auxiliary power for low-wattage accessories.

**The 1200 Series hot-water pressure washers are designed for hours of rigorous cleaning performance!**

Ideal for truck or trailer mounting, the engine-driven 1200 Series Hotsys are totally self-contained, field-portable and ready for your toughest cleaning tasks. The only source required is water! These powerful units are perfect for construction, agriculture, trucking, exterior maintenance or any industry that requires top cleaning performance and durability from their pressure washer.

### Discover Hotsy's no-cost benefits

Choose the 1200 Series pressure washers for their power and reliability. Then enjoy the benefits of doing business with the leader in industrial cleaning equipment. You'll find more than 120 models of pressure washers to choose from, free on-site demos, factory-trained service people, pre-delivery dealer prep, on-site machine checkout, operator training, local parts and accessory inventory, and a quality warranty program.

### Accessories to match your application

With their easy adaptability, the 1200 Series models are prime candidates for Hotsy's full line of accessories. You can custom tailor the washer to your specific requirements, making your cleaning jobs faster, easier and more efficient. Choose from portable wheel kits, extra hose lengths, roll cage, skids, hose reels, wand extensions, quick couplers, downstream detergent injector, foam applicator, wet sandblaster, rotating brush and more.

### Clean better with Hotsy detergents

Hotsy's broad selection of biodegradable detergents are formulated specifically for high-temperature, high-pressure cleaning. This means you get the best results from your Hotsy pressure washer, as well as protect it. Exclusive advanced-formula HCC additives continuously clean the lime and mineral buildup that can occur in your washer's coil and fittings. This cleaning action reduces replacement costs and improves machine performance. Most Hotsy detergents are USDA and Canadian Agriculture approved. And they're concentrated, so a little goes a long way.
