North America’s #1 Manufacturer of High-Quality Cleaning Equipment

795SS and 790SS Hot Water Pressure Washers

Electric / Belt Drive

Heater coil carries a 5-year warranty

Upright, oil fired burner delivers high efficiency with diesel fuel, kerosene or home-heating oil

Control panel includes adjustable temperature control plus heavy-duty heater and pump motor switches

5 HP, 230V, 1PH Baldor electric motor (Model 795SS) comes with thermal overload protection and manual reset

Rugged belt drive provides smooth, quiet operation and outstanding reliability

Rust-proof polyethylene fuel tank includes easy-access drain and fuel gauge in cap

Model 795SS
- 3.5 GPM @ 2000 PSI

Convenient hose-reel bracket accepts swivel or stationary reels

Belt tension adjusts easily by turning a single bolt

Variable upstream detergent injection ensures high-pressure sudsing

Ground Fault Circuit Interrupter (GFCI breaker) provides additional protection against shock hazard

Float tank, with rugged brass input fitting and float valve, helps maintain constant pressure and flow and traps sediment or debris. It is recessed at center of chassis for protection and balance

Safety pressure-relief valve protects machine and user from heat expansion

Model 795SS
- 3.5 GPM @ 2000 PSI

Built-in wand and nozzle holders provide convenient storage

Pneumatic tires with inner tubes provide easy maneuverability over pavement or rough terrain

HotSy-designed triplex pumps carry a 7-Year warranty

Ground Fault Circuit Interrupter (GFCI breaker) provides additional protection against shock hazard

Float tank, with rugged brass input fitting and float valve, helps maintain constant pressure and flow and traps sediment or debris. It is recessed at center of chassis for protection and balance

Safety pressure-relief valve protects machine and user from heat expansion

FEATURES
- 2.8 or 3.5 GPM @ 2000 PSI
- Oil Fired Burners
- 208V or 230V, 1PH
- 1330 or 1490 RPM Belt Drive Pumps

www.Hotsy.com

Nothing Cleans Like a Hotsy!
Oil Fired Burners  2.8 or 3.5 GPM @ 2000 PSI  Hotsy 7-Year Pump Warranty  1330 or 1490 RPM Belt Drive Pumps

Designed for tough, industrial cleaning.

*Totally enclosed fan cooled (TEFC)

**Options–795SS and 790SS**

- 8” Oil-Fired Draft Dampener barometric; prevents backdrafts and keeps cold air out.

**Hotsy Accessories** customize your application for top performance

- Telescoping wands extend to 24’ to reach high places without scaffolding
- High-pressure turbo nozzles for faster cleaning
- 360º Pivot and non-pivot hose reels keep hose neatly stored and shop areas safe
- Heavy-duty, high-pressure hoses in lengths up to 150-ft.
- Foamers increase dwell time on vertical surfaces, such as tractor trailers, walls and crates

**Clean better with Hotsy detergents**

Hotsy pressure washers clean best when matched with our specially-formulated Hotsy detergents. Nearly all 40 Hotsy detergent formulations contain Hotsy’s exclusive advanced-formula HCC additives to help prevent scale build-up and fight corrosion in your equipment. Most Hotsy detergents are USDA and Canadian Agriculture approved. All are highly concentrated, so a little goes a long way.

**Spend some time with a Hotsy Expert**

Hotsy has more than 130 local Sales & Service Distributors in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Rely on our network of seasoned service professionals for the safest, most effective and most efficient solution to your specific cleaning need.
